2018-2019 Season

A Message From The President

Welcome to our 61st Season!

Now that we have completed our 60th Anniversary Season, we are looking forward to our 61st with great anticipation. As a result of a poll of our patrons during last season, the artistic committee and Maestro Ming Luke have used your ideas for music repertoire to inform our choices for the 2018-2019 concerts.

You requested a mix of standard classics, newer pieces, works by women composers and more. There is something for everyone to enjoy. For example, Ming is collaborating with local vocalists Jenni Samuelson and Eric Bocks to put on an exciting Pops Concert which will also feature Andrew Whitfield, conducting the orchestra.

Other events are in the works and we will make every effort to keep you informed throughout the year. If you have not shared your e-mail address with us, please consider doing so. This makes it easier and much less expensive to keep you up to date on symphony news.

MSA will continue to bring music to the students of Merced County with another four lively Children's Concerts—two here in Merced and two in Los Banos. We hope to continue to expand our Educational Program in future years with your support.

How can you help the Merced Symphony grow? Attend concerts and events, bring friends, tell contacts about the high-quality musicians who perform in our orchestra and our stellar Music Director. Of course, donations are always welcomed to support these concerts.

Please plan to get your tickets early and join us for the September 22nd Opening Concert!

Educational Programs

Providing students with the opportunity to experience live music is part of the core mission of the Merced Symphony. Our Winter Children's Concerts are regularly fully booked with a waiting list. Our annual Youth Auditions give talented young artists the opportunity to perform before judges and receive positive feedback. Winners can be asked to perform with the orchestra. Some of our winners have gone on to professional careers or become music teachers. We are very proud of them!

Associate Concert Sponsors

Not open to the public. Schools/Classroom Teachers may make reservations for their 4th grade students through MCOE for the concerts in Merced on February 1st, 2019. Los Baños area schools reserve through LBUSD Office of the Superintendent for the Children's Concerts at Pacheco HS Theater on January 31st, 2019. These programs are designed to be interactive with students and pique their interest in music and band.

Your contributions help us to continue providing these orchestral experiences for our local students. You can sponsor students through a specified donation. Please refer to the Order Form.

Support Your Symphony

The Merced Symphony's artistic and educational programs would not be possible without the generous support of many individuals, foundations, and corporations. Donors receive special access to events and artists throughout the season, depending upon their donation level. For the perks within each level, check our website: www.mercedsymphony.org

The MSA Board will schedule one or more fundraisers during the season along with other events, such as soirees to meet the musicians and chat with our music director. If you are on our e-mail list, you will receive advance notice about any special events for planning purposes. We will also put a notice on our website.

Please consider supporting the Merced Symphony Association (MSA) to allow us to continue our mission of bringing to Merced the finest professional musicians for great symphonic programs. Our musicians are highly trained and sought after for performances in major orchestras. Many make solo appearances and perform throughout northern California.

We bring the Bay Area Music Scene to Merced! No need to drive long distances to hear exceptional music. MSA provides it right here!

Thank you for supporting music in the central valley!
